Summary: (machine translated)
Small alternative canyon when there is too much water everywhere else.
Only accessible after rain, otherwise almost dry.

Hydrology:

Access: (machine translated)
From Biasca on the main road 2 in the direction of Pollegio. After Pollegio, take the third exit over the highway at the traffic circle, then take a sharp right. Follow the signs for Bodio through Personico. At the end of Personico, take a sharp left and follow this road uphill. Park the car at bend 502.

Approach: (machine translated)
From the car, head north. After two hairpin bends, follow the path towards the river. Continue up a few hairpin bends until you reach the stream below the water catchment.

Tour: (machine translated)
Good practice canyon with more or less vertical abseils.
No walking passages worth mentioning. No major difficulties.

Return: (machine translated)
At the bridge from the stream directly to the car.
