Access: (machine translated)
Coming from Nuoro or Oliena, we turn right from the SP46 for 4.3 km from the point where the eastern road exit of Oliena joins the ring road and we go for 2.4 km to the Su Cologone spring. About 200m before reaching the large parking lot, we turn right into the Valle di Lanaitto. There follows a climb on a narrow tarred road that later becomes a dirt road. After 3.6 km, a dirt road goes off to the left over a bridge. Here we park our car.

Approach: (machine translated)
\nWe walk - passing the homestead on the right - towards the mountain flank south of the Badde Piras - chute and climb it in large serpentines (cairns!), see drawing at the beginning of the video: https://youtu.be/n0BPFdpDD8g . Once at the top, head east into the canyon.\n\nAn alternative access from the parking lot for Su Codulone u.
