Automatisch importiert von Descente-Canyon.com für Canyon Gier C'est mignon avec l'eau de ces derniers jours, ça fait une petite balade.Il n'y a plus la main courante avant la dernière cascade, amarrages encore en place.La cascade intermédiaire demanderait à être équipée en fixe, il y a une zone propice, cela permettrait à l'arbre de se libérer de son câble, qui commence à être un peu petit pour lui.
