At the small harbor basin, we cross a first stream and then come to a bridge over the Cairo. On the rightThe hotel/restaurant Vapore. Here near we park one car. With the second car we go back to the SS 583 and about 600m in the direction of Como. Then we take the road on the left up to Palanzo (6.3 km from the turnoff). Here we turn left into a small road with a steep slope and after about 150m at its exit we arrive at a school. Here babstellen the second car. Instead of the shuttle you can also climb a path on the right bank of the Cairos.		
<b>Approach:</b> (machine translated) From the car we descend forest path. After a serpentine the path drops steeply and in a bend we see a power pole. Continuing on the forest road we come to a small house with a barrier. Behind the house begins a path that leads after about 5 minutes on a covered channel to the entry.
