Warnings:

Access not via private property

At the entry of the access go left of the signs, do not cross the private area to the right of the sign!

inactive: *Avoid disturbance through mass canyoning* (11.08.25 - 31.08.25)

After RIC 2025 big groups have been reported that caused litter at the parking sites, occupied private property, partied loud after canyoning and parked without considering access by local inhabitants. Local communities are already pissed! In order to avoid negative consequences and regulations please make sure that you act considering the environment and local communities. Please us every car completey to avoid congestions at the parkings, use alternative parking, be quiet, restict whistle use in the canyon to a minimum, respect local catholic culture by not undressing visibly and use clothing for ascent. Do not party after canyoning in the parking spots and remove your litter please!

Specialities:

Gear:

Ropes: 2x 30m

Summary: (machine translated)

Very nice sunny canyon with clean water; many jumps; rappel, slides; some sharp edges; call power plant operators (before and after the tour); many entry and exit points.... Often used commercially.

Hydrology:

Access: (machine translated)

From Lucarno --> ri. Biasca --> at the village of Osogna-Cresciano drive to the train station. Opposite the pizzeria behind the

noise barrier right next to the SBB building (north of the building). Here you can also change your clothes in the parking lot without any problems and protected from view (if no train is passing by ;-)). Large parking lot for about 20 cars. Watch out for the glass roof in front of the building when driving in with high vehicles. After the winter, the SBB building is used as a changing room during the annual night-time

The SBB building is used as a changing room and starting point for the workers after the winter. It is never busy during the day.

Please do not park in the designated parking spaces of the pizzeria.

Parking lot 2: 2.) South of the old Osogna-Cresciano train station on the plateau. Only space for approx. 5 cars here. Please make sure that the car trailer with the rafts of the local canyoning & rafting company remains accessible at all times.

Approach: (machine translated)
Walk along the sidewalk along the road, 50 m north of the pizzeria over the guardrail to the Ticino. Follow the river down to the mouth of the Boggera. Then follow the watercourse of the Boggera, under the bridges to the gravel bank and the exit of the Boggera.
Approx. 100m left before the stream there is a hiking trail upwards --> with a steep ascent you quickly gain altitude --> after a good 15min. you cross the stream for the first time (warning sign) --> to walk the lower part of the canyon you still have to walk up the hiking trail for approx. 480Hm --> then enter the stream on the left.

Tour: (machine translated)
The tour is one of the most beautiful and best known canyons in the area and is therefore also very popular --> but if you make a canyoning vacation in Switzerland, this scenic breathtaking canyon should not be missed --> to put it in a nutshell, the canyon offers everything a casual canyoning tour should have --> there are many jumps, slides and rappel in every shape and height --> you should be careful only at the sharp edges --> even with a lot of water is caution --> to avoid long waiting times, it is recommended to leave early.

Return: (machine translated)
As with access back to the car.
