Summary: (machine translated)
O Saltadero del Blanquizal, is a simple canyon with quick access and return, great views of the coast.

Hydrology:
No

Access: (machine translated)
On the GC2, in the north of the island.
At the p.k. 14 we have San Andrés, just at the traffic circle there is a gas station and a beach bar, we park.

Approach: (machine translated)
We cross the road and there is a path that we will go up the slope to take the track that climbs to the top. Once at the top we will see a pond of rains that we go around the north side, soon we have the watercourse on the right that we go around to look for its NW side where the R1 is located.

Tour:
Ver topo

Return: (machine translated)
When we reach the bottom, we continue straight ahead to reach the road and cross the highway over the bridge. We go towards the beach and follow it east to the place where we have parked.
