# Specialities:

Gear:

Ropes: 1×40, 1x20

### Summary:

Sehr rutschig, einige schone abseilstellen, gut zum kombinieren mit Pincuejo.

# **Hydrology:**

### Access:

Park by the tolroad tunnel after the village (and the thermal baths that give name to the village), after crossing several secondary tunnels.

# Approach:

Hike up right bank on a gentle trail in the forest until a saddle, the entrance is below where the streams join.

# Tour:

After an open start with some downclimbing, it becomes more narrow. Very slippery.

#### Return:

# **Coordinates:**

Canyon Start <u>42.9294 -5.8633</u>

# Reports:

2025-03-03 | Jeroen Kirchner | ☆ ☆ | 🎞 ★ | 🗯 High | 🧀 Completed

Combined with nearby Quincoajo, i would only recommend the latter as Cacabillos is really... caca slippery. Rockclimbing or via ferrata or thermal baths are the better options.
