**Summary:** (machine translated)

Great ambience, slides and possible jumps, narrow gorge character

**Hydrology:** 

**Access:** (machine translated)

see route in google maps under links, also for implementation

**Approach:** (machine translated)

Either access from the upper parking lot via a slope into the streambed and then down the scree to the entry point or from the alternative parking lot directly, but without a path, down into the stream near the entry point.

**Tour:** (machine translated)

see photo album and video under Links

**Return:** (machine translated)

We get off at the water intake and walk a little way along the canal. Then we take the track on the right bank down the stream. It crosses the stream and we climb up to the lower car in a few minutes.

Muddy muddy... Probe well before each jump or slide. A cave to visit on the left bank, with a few bats. (machine translated)

We also climbed via the slope to the frame. 10min. stream hike to the 1st rappel. A very beautiful canyon. Because of the murky water, you sometimes can't see how deep the pool is.... (machine translated)
