Approach:
Inmediato

Tour: (machine translated)
Aquatic canyon of constant flow.
Very aesthetic for its large side walls and not very sporty except for its end when we reach the Masía de La Tosca, where we will have a jump of between 6 and 8 meters. Jump well ahead in the pool to avoid overflows.

Return: (machine translated)
Immediate with car combination.

Coordinates:
Canyon Start 40.6846 -0.6754
