Specialities:

Gear:

Summary: (machine translated)
Simple and short descent to be made during the rainy season.

Hydrology: (machine translated)
They are feasible but then you have to climb the slope of the road.

Access: (machine translated)
We will reach San Vicente de Toranzo by the N623. From here we will take the CA271 towards Castillo de Pedroso. At the first sharp right turn, with bridge over the river Saramillo we have the exit. A few meters before we can leave the car to return.
If we have two cars we continue along the road to Castillo de Pedroso and just at the entrance we have room on the left to park.

Approach: (machine translated)
At the height of the sign of 50 if we walk up we can already enter the flow.
If we go from the village, next to where we parked we can access the stream.

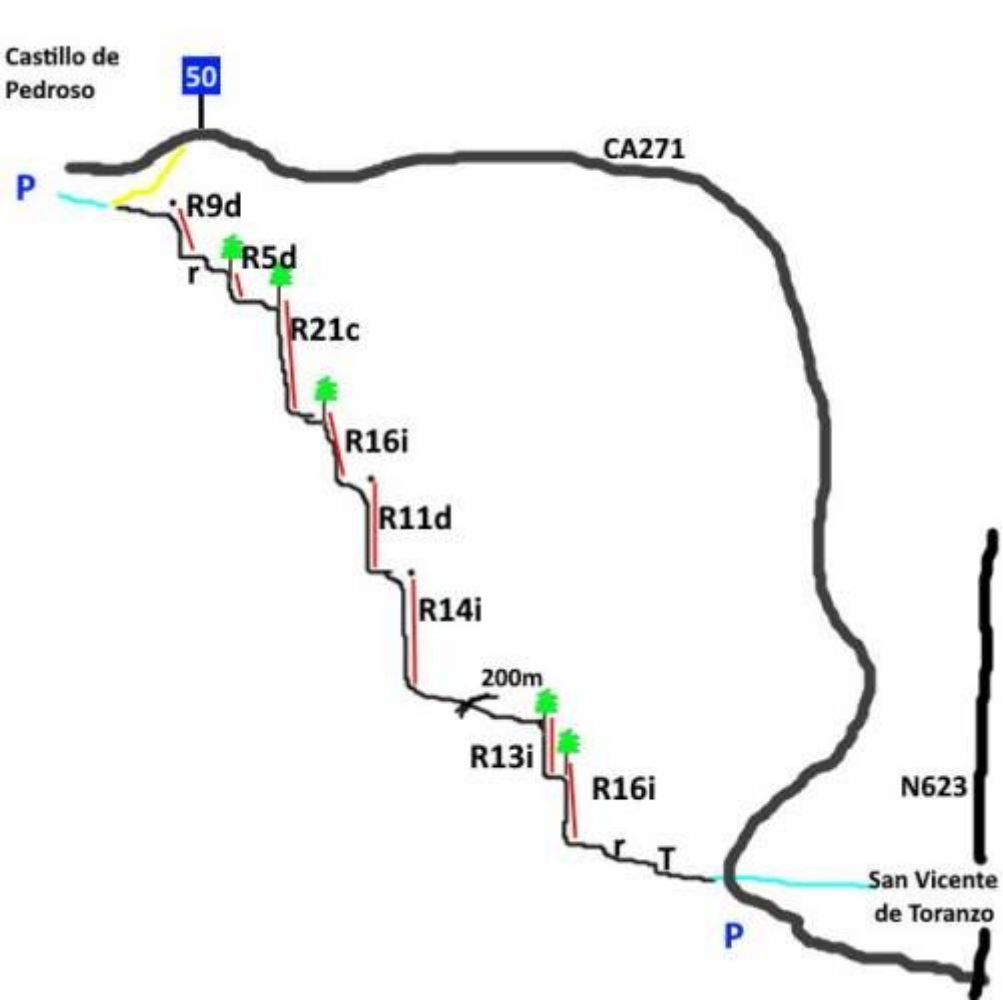

Tour: (machine translated)
Short but very nice and pleasant descent in rainy season.

Return: (machine translated)
The road bridge is reached
