From the highway N 3 Zurich-Chur we take the exit Bilten/Rotbrugg (No.43) - 5.5 km after the exit Weesen/Amden at the western end of the Walensee - in the direction of St. Gallen/Schänis and drive to Kaltbrunn-Steinenbrücke (7 km from the highway exit). Shortly after entering the village, turn right into Wengistraße.
We now follow this road for 6.6 km until we cross the Wengibach on a covered bridge. We park the car here.

Continue on the road, past Vorderwengi (inn) to Mittlerwengi (2 small farmsteads on the left of the road) 1.7 km uphill. In the bend to the left, where the road leaves the edge of the forest, descend to the right over the free slope to the streambed, which is shallow here. A few meters downstream you come to the first waterfall.
