Reports:

2024-07-19 | Euphoria | ★★★ | 🗺 ★ | ⚓ ★★ | ⚡ Normal | 🎉 Completed

Flow increased at noon due to the thaw and the contributions of its tributaries. Attached photos. Pools with some movement, but visible and avoidable, without problems. The information in the description does not coincide with the verticals. Beware of jumps and slides, receptions with stones and mostly uncovered. Incredible scenery and atmosphere. (machine translated)
