2026-03-01 Jeroen Kirchner ★★☆☆ 📖★★★ ⚓★★★ 🌊 Normal 🍏 Completed Deep and impressive Dolomite gorge with cave like passages, some due to huge fallen boulders where we go below. A bit of a jungle feel as well. A must when in the area or when traveling on this road. We did it after Pignatte. Continued with one car, parked along the busy road. At the exit of Gola (confluence with the main river) left bank and then gently via the houses back to the road.
