| 2025-04-23 Pepijn Hoeksema ★★★★ 📖★★★★ 🚧★★★★ 🌊 Normal 👍 Completed The water level is good, more trees in the stream than last year. Mainly at the beginning. | | |
| 2024-09-30 Pepijn Hoeksema ★★★★☆ 📖★ 🚧★★★★ 👍 Completed Nice canyon and relatively easy canyon. We went after heavy rainfall, so we had a perfect water level. A good water level makes the canyon much more attractive. Furthermore, there are a few narrow sections, and it's basically in the middle of the forest, so it's beautifully green. The anchors are in good condition. It is also a good canyon to use for rescue training. | | |
