<b>Hydrology:</b>		
<b>Access:</b>		
<b>Approach:</b> Follow indications for Motta di Branca. This is the easiest way to enter the Lobbia Valley: it is located just north of the wild outcrop overlooking Motta di Branca and at the base of the rocky summit that supports Mottali; towards Lobbia it drops a few hundred meters. From here the path to the stream begins.		
<b>Tour:</b> All anchors are inox Ø10		
<b>Return:</b>
