Summary: (machine translated)

Vertical rappel canyon

Hydrology: (machine translated)

Interesting in spring

Access:

Approach: (machine translated)

From the parking lot on the hiking trail to the exit of the canyon, cross the stream and take the hiking trail on the orographic left side up to the Bisse d'Azerin. Follow the bisse/Suone to the entry point.

Tour: (machine translated)

Beautiful abseiling tour without long running sections. However, there is a running section following the stream at the end to get back to the hiking trail.
