**Summary:** (machine translated)

Short and small rappel canyon with good water flow, well suited for connecting to another canyon.

**Hydrology:**

**Access:** (machine translated)

see directions on google nmaps under links

**Approach:** (machine translated)

Take the Route de la Cascade, where we parked the car, in a westerly direction as far as the bridge. Then follow the path up into the forest. We come to a road (Rue de la Roche) and follow it to the right until the next (left) haipin bend. Turn right here onto the clear tracks and down to the stream.

**Tour:** (machine translated)

see photo album and video under Links

**Return:** (machine translated)

turn right before the bridge and follow the road directly to the car
