Automatisch importiert von Descente-Canyon.com für Canyon Kourtaliotiko Observations:- Extremely short canyon (10 to 15 minutes descent)- Perhaps two waterfalls, impracticable alone in these conditions -> entry via the 16-meter jump on the right bank. Comments on the approach and return:Access fee during the season, but this was not the case here. Park in the parking lot above the bend. Shuttle absolutely unnecessary.Total time:40 minutes from car to carPictures here:

Automatisch importiert von Descente-Canyon.com für Canyon Kourtaliotiko Magnifique canyon ,très.. très court, mais concentré (rappels, sauts) . Toujours en bon débit, même en été, eau cristalline.
