We parked near the "Posto florestal do cascalho". We walked everything according to the book description "the best canyoning in Portugal" and were at the stream in 1h50. Here you can usually walk orographic left for another 30min /900m until you reach the 1st rappel. We needed 2h30 for the canyon. Sometimes it was extremely slippery. Way back on the Levada so Rei and a small, steep path up to the car (50min.) We liked the canyon. (machine translated)
