Summary: (machine translated)
Simple canyon to start, generally dry except for heavy rains. It will not offer us anything different, access and return short and simple with a development without great difficulties. To combine with others of the zone or to make a day that is raining and we do not want to complicate us.

Hydrology: (machine translated)
After the first gunshot to the left.

Access: (machine translated)
We will be located in Rossell
Once there we will take the CV104 to Bel and park at the end of the village, next to its beautiful viewpoint.

Approach: (machine translated)
From the viewpoint, to the left there is a track that goes down to a hut, before the hut there is a curve and a path that goes straight ahead, we follow it and soon, before reaching the rocky area we turn right towards the ravine.

Tour: (machine translated)
Simple, short and dry.

Return: (machine translated)
After the last rappel we will have one more narrow area and shortly after a path on the left that goes up the rocky ridges towards the path we took to get there
