<b>Reports:</b>		
2024-03-26   Oliver Beatrice   ★★ ★   📖 ★★   ⚓ ★★★   🌊 High   🚫 Not done Outing done on 3/26/2024, with medium/high flow, in fact the rappel from 65 was quite challenging, really cold water, that's why we came out mid stream at the bridge after the fourth rappel. For the return, follow the trail from the bridge to the village, in places passing between houses (machine translated)
