Summary: (machine translated) Alpine canyon at the foot of the lake of the same name. Access is restricted to canyoning only. Call 05 62 92 92 46 13 to verify the level and opening of gates.		
Hydrology: (machine translated) Several on the right bank		
Access: (machine translated) From Tarbes we head towards Lourdes on the N21. Then continue towards Gavarnie-Gedre on the D821. Continue towards Gavarnie-Gedre on the D921 to Gèdre. Access Gloriettes and Cot In Gèdre take the road to Troumouse on the D922. Before reaching the turnoff to the cirque of Estaubé we will see a track on the right, we get in and leave the car at the exit. We go up the road to Estaubé and Gloriettes to the lower parking lot of the lake, just before the gate and park.		
Approach: (machine translated) Almost immediate		
Tour: (machine translated) First part more boxed with rappels and some jumps. The water is very cold so it is advisable to do it just before noon to catch the sun at full height and that enters the canyon.		
Return: (machine translated) By the escape, saving a large drop we reach a road that takes us up to the upper parking. At the end of the ravine on the right bank towards some farms, at the bottom will be the car.

Necessary to call 05 62 92 92 46 13 to ask about water releases. It seems low flow, but it is well maintained during the descent, clean pools. Rappels with rubs and waterfalls in ramp. Less aesthetic than its companions, but entertaining. Ideal to take it at noon so that the sun enters in the whole route. (machine translated)
