**Summary:** (machine translated)
Also known as Majorro is a very popular canyon in the area, for people who know how to use the ropes. With two very interesting final rappels.
In summer, or in hot weather, it is better to do it early in the morning to take advantage of the shaded areas.

**Hydrology:** (machine translated)
Unverified

**Access:** (machine translated)
Bcos El Risco area
We have to be located in the NW of the island, next to the Natural Park of Tamadaba, in the town of El Risco.
Location of the banks Palmar, Juanjorro, Laurel and Molina.
We will take the GC2 to El Risco where we will take the GC200 southbound, when entering El Risco we have a parking lot on the right to visit the Charco Azul. We could also go up through the village and park in the upper part but this always bothers the neighbors more...

**Approach:** (machine translated)
Access to the banks of Palmar and Juanjorro
Along the path that leaves the village towards the canal, we will go over the walls and reach the Juanjorro riverbed.
Access to Palmar and Juanjorro banks

**Tour:**
Ver topo

**Return:** (machine translated)
We will follow the ravine up to the height of the first houses that are left on the right, we will see a path that leads us to them.
