Summary: (machine translated)
Dry ravine in which we will leave the same town of Aguadulce. Quick and comfortable access by track, good facilities and good views towards the sea, avoid the sunny days because we will be south facing and we will suffer it.

Hydrology: (machine translated)
Not required

Access: (machine translated)
In Aguadulce, with only one vehicle we will park in the area around the cemetery.
With two vehicles, the access vehicle we will leave it higher up in the parking lot of the road of the antennas. The return vehicle we will leave it at the exit of the ravine, in the street Génova with Puerto de Navacerrada.

Approach: (machine translated)
By the track of the antennas, we cross under the highway and continue climbing quietly.
We will make the twists and turns and a kilometer after crossing under the highway we will be at the top of the ravine, we overcome it and go down the orographic left.

Tour: (machine translated)
Dry canyon, well configured, a very marked crack in which the rappels follow one after another until the highway, we will cross it through the tunnel and after it the last rappel.

Return: (machine translated)
We follow the riverbed to the street
