Specialities:

Gear:

Summary: (machine translated)
Short canyon to combine with some activity in the area, 3 rappels, of which 2 of them are flown.

Hydrology: (machine translated)
In the Gollizno cave on the right along the access path.

Access: (machine translated)
We must be located in Chulilla
We can take the CV35 to Losa del Obispo and then take the CV394 to Chulilla.
Or we can take the A3 to Requena (exit 289) and take the CV395 to Chera and from here to Chulilla.
Once in the village we will take the street Proyecto 1 and Turia street to go down to the parking lot next to the Turia river. Close to the area of "el remanso de las mulas".

Approach: (machine translated)
We cross the bridge and at the turn of the track to the left, we go to the right along the path of the caves. Just before reaching the cave of Gollizno (second rappel) we will have to take a path that goes up the slope almost to the walls. Before reaching a step with logs over the ravine, we will see some milestones on the right that lead us to the riverbed.

Tour: (machine translated)
Three rappels, the first two of which are overhanging, the second over the Gollizno cave. The third leaves us in a Roman aqueduct that we take to the right.

Return: (machine translated)
Through the Roman aqueduct to the mill, at the mill we will go up to the access path.
