<b>Summary:</b> (machine translated) O del río Gerona is an aquatic canyon, short and simple. With a rather hard access and returns that do not do honor to the canyon.		
<b>Hydrology:</b> (machine translated) Not necessary but in the open part on the left side.		
<b>Access:</b> (machine translated) We will be located in Morella, on the N232 towards Alcañiz. We go up to the port of Torre Miro and after the port, at the height of the wind turbines we take the track that goes to the left. Follow the track to the top of the hill at the foot of the mills. The track that comes out in front, if we can pass the fence we follow it in the car, if not we park here.		
<b>Approach:</b> (machine translated) Access bco In Gerona and Salt Cabrer Following this track behind the fence we will arrive at a farmhouse and after it two turns, in the last one we leave the track to the right and we go down "jabalineando" until the evident riverbed.		
<b>Tour:</b> (machine translated) Short descent without major difficulties		
<b>Return:</b> (machine translated) After meeting the stream and the dam, we leave to the left going up the watercourse with no obvious path to the trail. Another "jabalinada"
