Hydrology:

Access: (machine translated)
On main road to Hinterstein. Park at the exit of Hinterstein on large parking lot for hikers.

Approach: (machine translated)
By bike on the closed road towards Giebelhaus to the E-Werk\n (near the bridge). Then take the hiking trail towards Schrecksee.
At approx. 1120m above sea level, turn left over steep grassy slopes down to the stream. It is easier to find and more beautiful to walk on to a small reservoir, cross the stream there and enter at a small dam.

Tour: (machine translated)
If you get on at the dam wall, it is relatively difficult to downclimb and/or jump. (No anchors on the small steps)

Return: (machine translated)
Get off at bridge and go to bike
