Access:

Approach: (machine translated)
Barrancos Río Carballido in map
We continue along the same track always with the Carballido river on the right until we reach a bend where the river crosses. We cross it
and we continue until we enter the Coiteladas basin. The access is obvious.

Tour: (machine translated)
After a few first descents we enter the vertical zone with continuous rappels. The descent ends at the Carballido

Return: (machine translated)
Continue along the intermediate Carballido
