Access: (machine translated)
From the town of Aliaga take the A-1403 road and just to reach the village of Pitarque, but without entering it, in a sharp left turn, take the road TE-V-8042 by which we will continue 3.4 km to reach a junction, we take the right A-1702 and 5 km to reach Villarluengo.

Approach: (machine translated)
Park vehicles in the vicinity of the Church of Villarluengo, in the lower part of the square we will find the town hall and we will continue along the street that goes down to the left. We will arrive at the path of the orchards, where we will follow the PR66 towards Pozo del Invierno. We will pass by a crossroads and continue along the paved road until the first curve where we will leave it to the left, to go down a nice path. When we get almost to the riverbed, where we sense the corridor next to a hut in ruins, we will go back a few meters and at that point we will get into the riverbed.

Tour: (machine translated)
A succession of slides, jumps, jumps

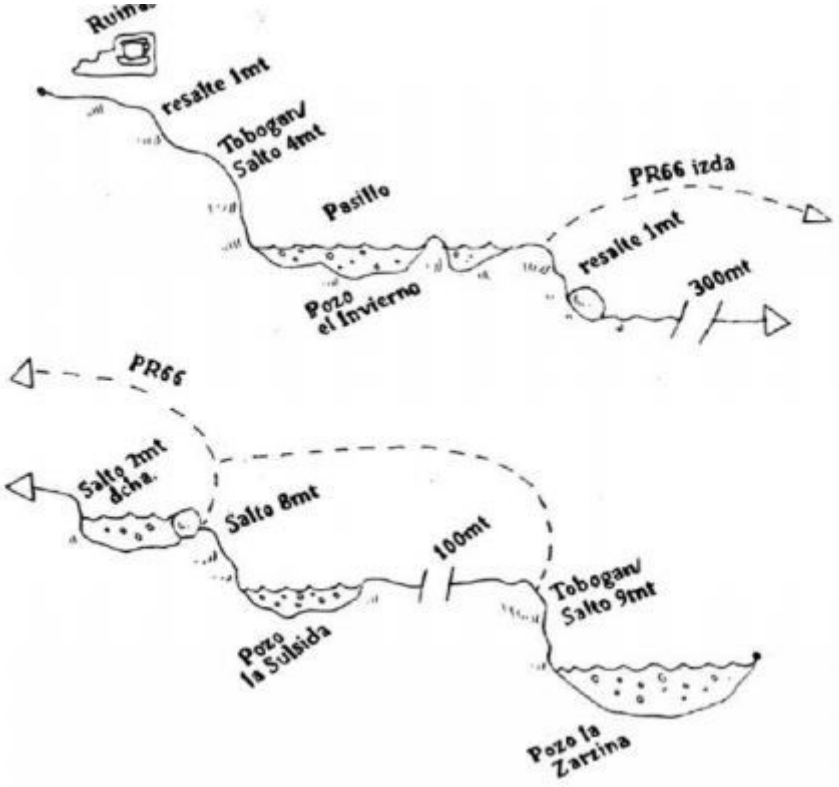

Return: (machine translated)
We will go up on the right the well of the zarzina and we will cross the river, we will go back a few meters and we will observe a small climb. As soon as we climb it, we will continue on our left (it is not necessary to gain height). We will continue up the path, PR66 until we reach the exit of the Pozo del Invierno. At this point we will undo the path that we did in the access.
