Unfortunately there is almost no water flowing. In combination with the Mülibach near Welschenrohr and in gray weather, it's okay. (machine translated)

Parking lot: oberbergweg there are about 4 parking spaces shortly after the beginning of the forest, after that there is a driving ban. Possibility near the church blue zone. The canyon is very short and can be done in 15-20 minutes. Ideal for beginners to practise at the belay station, setting up ropes. There is a fireplace at the canyon exit. (machine translated)
