**Access:** (machine translated)
We must be located in Cortes de Pallás, which we will reach by the CV428.
Upper parking lot (Access Arroyo Cortes). Once in the village, we will cross it almost straight ahead in search of the Cta de la Muela. After a sharp left turn, in the next right turn there is an asphalted track that goes up the Arroyo Cortes stream. Follow it to the end and park.
Parking Corbinet. Upon entering the village we will go towards the gas station and then Corbinet, the track goes up the orographic right of the stream to the parking lot next to the waterfall.

**Approach:** (machine translated)
From the Corbinet by the orographic right by the path that goes up to the headwaters of the Arroyo Cortés and crosses it just above the second rappel.
In the upper parking lot we will go down to join the path and access.

**Tour:** (machine translated)
A beautiful first rappel, a zone of cliffs and jumps if there is enough water, to finish in the magnificent Corbinet rappel.
In the intermediate section there is a fairly closed area that can be avoided on the outside. After R10 it is much better to escape along the irrigation ditch or the path to the final rappel.
