**Warnings:**

*Army training ground*

Be sure to call if there is shooting practice (+41 91 935 8012)

*Road to the entrance parking lot at least officially closed*

According to the signs, the road to the entrance parking lot is closed to public traffic. This ban is apparently not controlled. During our visit, we were even approached by a vehicle from the Corpo Forestale dello Stato, which also ignored us in a friendly manner.
