Integrale with car shuttle over St Claude. Doing only the lower part would be really short. Good conditions.

Automatisch importiert von Descente-Canyon.com für Canyon Blenière IntégraleJe cherche encore l'intérêt de parcourir la partie supérieure. Seule la première cascade est sympa.Rajout d'un anneau de corde sur le 1er AN mais le maillon est super rouillé.Partie inférieure très jolie mais mériterait plus d'eau.
