<b>Summary:</b> (machine translated) Raw data import from Ropewiki <a href="https://ropewiki.com/Drieschtbach">https://ropewiki.com/Drieschtbach</a>  The Drieschtbach means you have to be fit and ready for a long day and probably get sunburnt... The canyon is only moderately long, but the approach and return are definitely strenuous... However, it's also in a beautiful region where you can see glaciers, rock needles and other canyons that haven't been walked on.... And hey! At some point, the "skyline" will only consist of the Matterhorn! (machine translated)
