From Cilaos we take the D242 via Ilet Dijoux and continue in the direction of Ilet à Cordes. After 4.1 km we cross the Bras Rouges and after about 7 km in total (from Cilaos/junction D241/D242) we come to the bridge over the Fleurs Jaunes. Park the car here.

Approach: (machine translated)
We cross the stream in the area of the picnic zone. After a few meters on the orographic right side of the stream, we cross back to the left side. We can catch a glimpse of the final waterfall.Continuing upwards, we cross a rock face with rope belay, then we come to a saddle above the streambed and continue down the trail to the streambed.
Roping in from the ridge is also possible (32m, otherwise only 2x30m).
