2024-10-03   Anja   ★★   📖   ★   🚧   🌊 Low   🍏 Completed Attention! Canyon is not drilled! We did not find any old anchors. Set the first anchor and then used improvised anchors except for the last three rappels (also newly drilled)! Lots of wood in the canyon. Be sure to take a drill with you. First ascent probably in 2014 using natural anchors. (machine translated)
