All stands and jumps are good, the upper part is very commercial. In the lower part there is an incredible view. E47 and E73 are hanging belays - a step loop is recommended. On the exit, it is best to move out/change clothes immediately after the last rappel on the bridge, as the 45-minute return route is narrow and full of hikers (25 Fontes Weg). Optionally, you can take a shared cab for the last stretch up to the road (1.8 km) from the restaurant, but the drivers only take dry canyonists. (machine translated)
