Transport:	**Rock type:**	**Drainage area:** km²
Season:	**Orientation:**	**Best Time:**
Rating: ☆ 3.8 (13)	**Info:** ★ 1.9 (7)	**Belay:** ★ 2.7 (10)
Specialities:		
Gear:		
Summary: (machine translated) Actually quite attractive rappel canyon.		
Hydrology:		
Access: (machine translated) Either from Brig via Visp down the Rhône or from Martigny via Sion/Sitten up the Rhône on the "9" to Susten/Turtmann, then change to the orographic. right bank of the Rhône and park the car for the exit in the leisure area at the canyon exit. Here you can also check the water flow and spend the night (also with the camper) (for the approach see also the Google aerial photos in the photo gallery).\n\nWith a second car we then drive Rhône downhill via Susten to Leuk on the orographic. right bank of the Rhône and further uphill in eastern direction (Bratsch, Erschmatt). At the bridge over the Feschelbach we park the second car (see conversion on Google aerial photo in the photo gallery).		
Approach: (machine translated) From the bridge we climb (2-3 smaller rappel) on clear tracks down to the streambed.\n\nShould we have only 1 car, we can ascend to the bridge on the orographic right side of the stream (50 min).		
Tour: (machine translated) Many smaller rappels, see topographic views		
Return: (machine translated) Out of the canyon directly to the car.		
Coordinates: Canyon Start 46.3136 7.6749 Canyon End 46.3081 7.6712

Super clean water. No waste in the canyon. Yahoo’ □□ Ankers are glued. And all rappels have numbers. Top equiped. Entry from the bridge at the top. And from the exit you can walk up, approx 30min. There is a lil path on the right side faceing south. Enjoy’ □□□□□

Automatisch importiert von Schlucht.ch für Canyon Feschelbach, Wasserstand: "wenig +" Verankerungen: "gut" Am Anfang etwas kleines undefinierbares von einem Tier, ansonsten nichts schlimmes gesehen. (Quelle: https://schlucht.ch/schluchten-der-schweiz-liste/1028-feschelbach)

Enter on RG down hand lines next to the climbing area, one 25m rap in. A few dead animals, but over a beautiful canyon with a really fun slide in the middle that can be repeated many times

Automatisch importiert von Descente-Canyon.com für Canyon Feschelbach Equipement ok. Relativement glissant. Pas mal de nouveaux déchets sous le pont ainsi qu'un animal mort. Les sauts et toboggans habituels sont ok. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/21972/observations.html)

Automatisch importiert von Descente-Canyon.com für Canyon Feschelbach Début par la Descente par le pont en mono point, faire très attention aux chutes de pierre en dessous. Enchaînement très sympathique de cascade, l'environnement vaut le détour. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/21972/observations.html)

Automatisch importiert von Descente-Canyon.com für Canyon Feschelbach Odeur horrible sur les deux premières cascades par contre le reste est super joli.Attention sur l’accès au canyon au début c’est équipé en main courante fixe et puis plus rien, il faut installer un rappel d’environ 25m. (Quelle: https://www.descente-canyon.com/canyoning/canyon-debit/21972/observations.html)
