From Bagnères-de-Luchon we first take the D125, then later the D46 towards Superbagnères. Where the road starts to wind up from the Lys valley to the right, we stay in the valley and take the D46a, passing Bordes du Lys and Bourdales towards the end of the valley (E-Werk du Portillon). Before the road crosses the Lys to the eastern bank, we park our car in a hiking parking lot to the left of the road.
