Gear:

Summary: (machine translated)
Or ravines of the Huecos, is a long ravine, very long, in which we will be able to spend the whole day. With necessary combination of vehicles and to avoid in rains.
With two parts, up to the gallery of the Hollows with 26 rappels (explained here) and to the end another 9 rappels (we believe that it is not worth it).
It is a very long descent in which we can go at night (foresee it) and in which we will have to carry water and food for a very long day, as well as spare material.
Since it is located in a protected area, it is necessary to verify if you need a permit.

Hydrology:
No

Access: (machine translated)
Bcos Arafo area
In Arafo, we will take the TF523, Teide road.
After the p.k. 5 we have a track on the left (return) in a right curve with the indicator to "Los Frailes", we will follow this track to the recreational area.
With the access vehicle we will continue going up to take the TF24 and go almost towards Izaña passing by the Mirador de Chimague, past the p.k. 27 we have a track on the right and we will see the sign to "Los Frailes". 27 we have a track on the right and the road passes from one slope to another. After 500m we have a place to park on the left.

Approach: (machine translated)
From this parking lot we take a slightly ascending path that will take the Risco Ayesa ridge, we will climb in slight zig-zag with some milestones that will indicate the path to follow.
Upon reaching the cliff we will go down and a few meters a few milestones indicate that we must go to the right leaving the path and cross country without losing height to a milestone where we will see that the access turns down to take a small riverbed, through this riverbed we will reach a milestone that tells us where the first rappel is located.

Tour:
Ver topo

Return: (machine translated)
After the last rappel and to the left we will arrive at the gallery of the Huecos, we cross to the right and go up to a path, we will have to follow it in descending direction until the recreational area.
