rappel canyon

**Hydrology:**

**Access:** (machine translated)
Leave the Chur-Zurich highway at exit 45 at the western exit of Lake Walen in the direction of Amden and drive up towards Amden. The road climbs along the rock. At the next leftward haipin bend, park the first car in the parking lot (9.6 km from the freeway).
Take the second car further up to Amden (another 2.2 km). 240 m after crossing the Rombach (already at the beginning of the village of Amden) turn left into Durschlegistraße and immediately left again into the large parking lot.

**Approach:** (machine translated)
Continue on Durschlegistraße for 400 m in a northerly direction until you reach the bridge over the Rombach.

**Tour:** (machine translated)
Soon narrow parts, a series of rappels (max. 18 m in the upper part), then more open with a final run to the bridge. Here we path to the right onto the bridge. (Entry/exit possible here).
Alternatively, we can descend further down the Rombach inferiore (see there).

**Return:** (machine translated)
We cross the bridge and follow the path up to Amden if we only have 1 car.
At a conversion we take the path down. It leads us to the car for the exit.
