Specialities:

Gear:

Summary: (machine translated)
Canyon on the south face of the Sierra de Gredos. Experience is necessary as it is semi-equipped. Divided into two distinct areas, the Enebro ravine and the Galayos ravine.

Hydrology: (machine translated)
Almost any time you can get out. They are complicated escapes

Access: (machine translated)
We head to the village of Guisando. We will take the small road that leads to the monument to the goat, place to leave the car and take the material.

Approach: (machine translated)
From the goat by the path of the Victory Refuge we go up the Pelayos river until we reach the Apretura, here we will follow the carved path. When we arrive to the base of the Torreón de los Galayos we will see the access to the ravine.

Tour: (machine translated)
Rapid descent linking skills with waterfalls (only in rainy season) semi-equipped.

Return: (machine translated)
Halfway up the slope we find the path we used on the way up. Just follow it

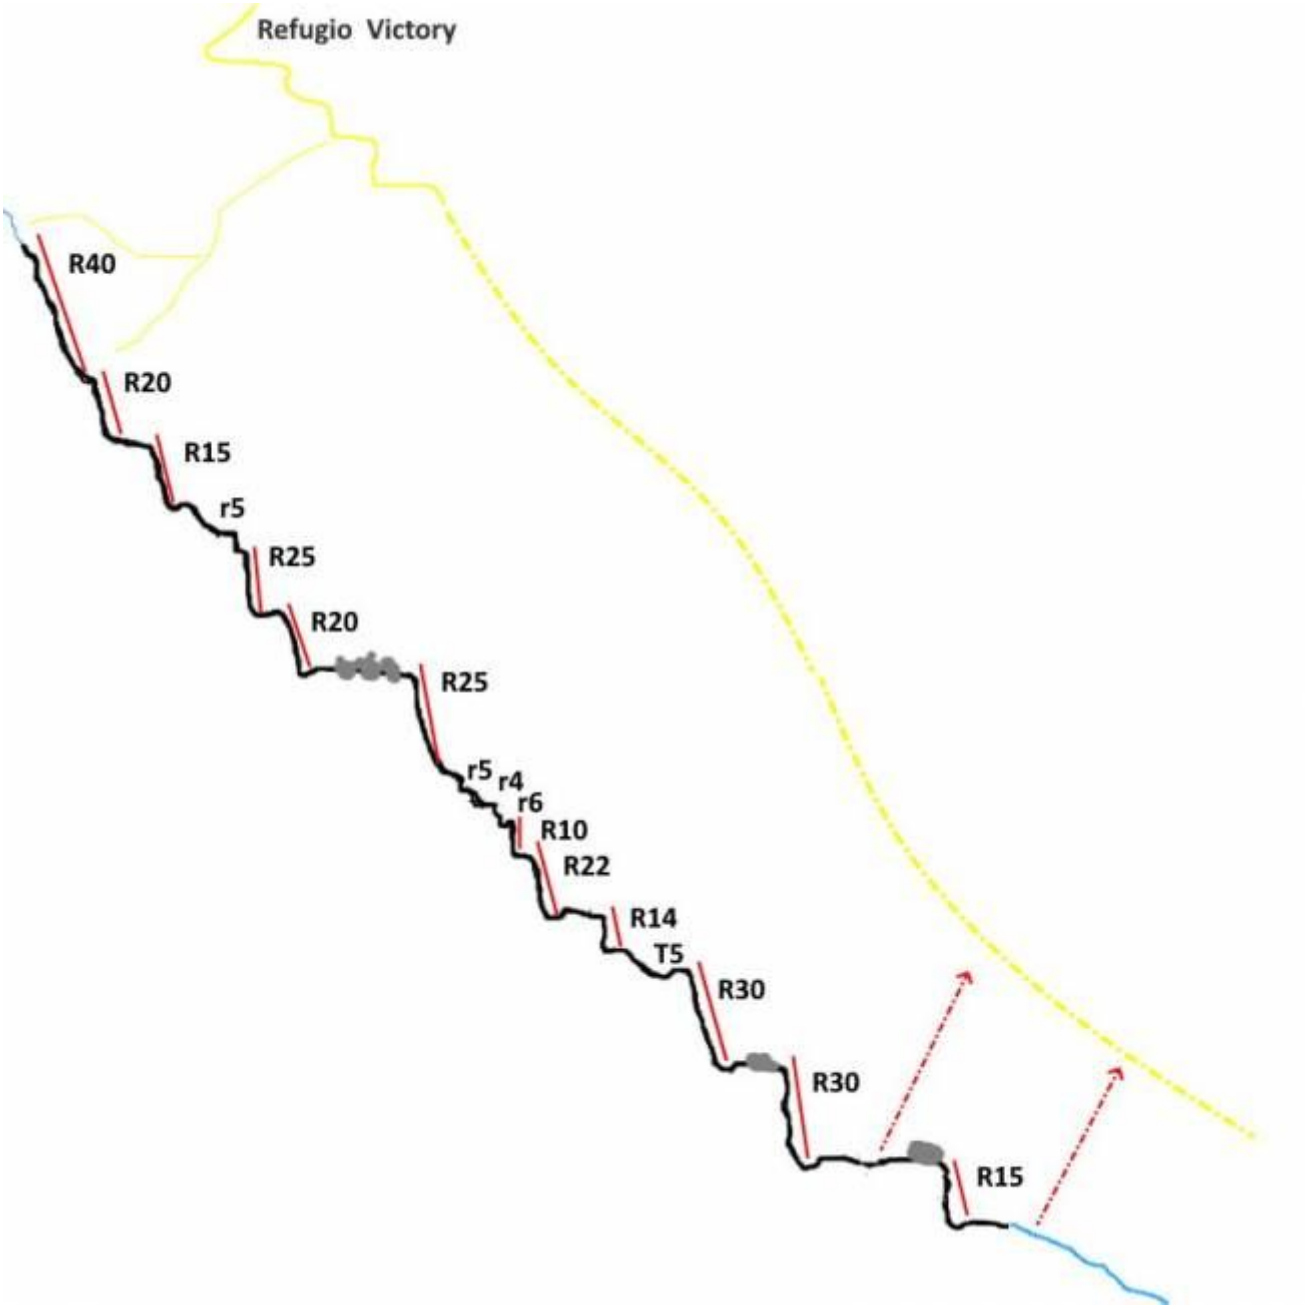

Coordinates:
Canyon Start 40.2225 -5.1400
