Specialities:

Gear:

Summary: (machine translated)
Nice canyon with two parts, the upper one more vertical and the lower one very simple, more of jumps.

Hydrology: (machine translated)
Possible in almost all the route

Access: (machine translated)
We will take the C16 to Berga, just before arriving we will turn off to Avià/Solsona by the C26, we will pass Avià and after passing the pk141 we have a track on the right towards El Verdeguer, we can get in here and park at the end.
We can continue along the road until we cross the stream and immediately we have a track on the right towards El Porxos, we can park further up, at the height of El Verdeguer but on the other side.

Approach: (machine translated)
From El Verdeguer we take the path/track that goes up the stream, from the other side there is a path that crosses the stream and goes to the Verdeguer, before arriving we take the same path that goes up.
The track crosses the river (exit point of the ravine) and soon we have a track that goes to the right, which we will take and will take us to the upper part of El Molinot.

Tour: (machine translated)
Very entertaining canyon with multiple rappels.

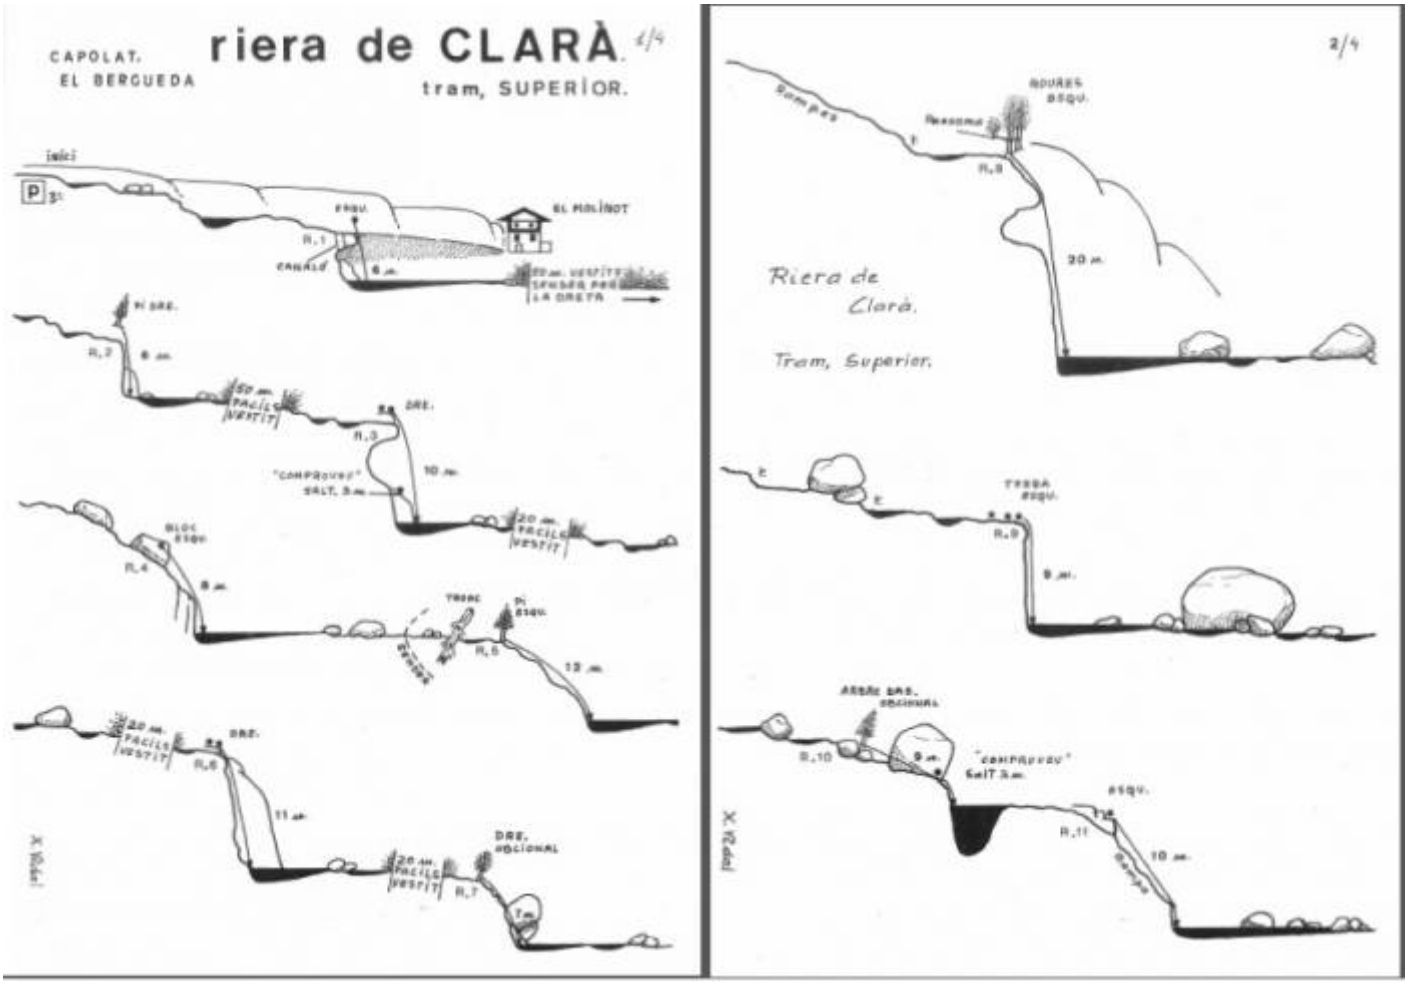

Return: (machine translated)
When we reach the track we will undo the ascent to the car.
