Summary: (machine translated)
Short, quite aquatic canyon. Mostly jumps and slides, three short rappels. *Unfortunately closed since February 2013, see notes*.

Hydrology:

Access: (machine translated)
Turn off the B25 into the Steinbach valley and drive to the exit of the public road at the Steinbach hunting lodge.

Approach: (machine translated)
Hike along the sand road for about 2.5 km to Windischbachau at the head of the valley.
Cross the Alplbach stream and follow the marked hiking trail towards Tremel up the first steep step. Leave the marked path to the right at a sign and continue horizontally on an unmarked but clear path. After a while you come to a very overgrown forest road, which you follow until you reach a scree barrier. Entry here.

Tour: (machine translated)
Many small jumps and slides in a low gorge with beautiful washouts. Can be combined well with the nearby Alplgraben.
