| 2024-10-02 Pepijn Hoeksema ★ 📖 ★ 📍 ★ 🌊 Low 🍀 Completed We did this canyon because there was too much water in the Tailles. There are now also points halfway down the 100-meter waterfall. Nevertheless, bring an extensive kit to replace bolts. Also, bring a few slings to use around trees. With a few extra anchor points, the canyon becomes much more attractive. Glad to have done it and check it off the list, but it's not a trip I would choose to do again. | | |
