<b>Specialities:</b>		
<b>Gear:</b> Ropes: 2x 60m		
<b>Summary:</b> (machine translated) 2/4; quite long, is worth doing (once).		
<b>Hydrology:</b>		
<b>Access:</b>		
<b>Approach:</b> (machine translated) The parking lot is located directly by the stream, by a small wooden bridge. Please note that the road and parking are subject to a toll, which can be paid on the way to the entry at a ticket booth on the road for 5 francs. (Do not pay for parking zone 4, which costs 10 francs)		
<b>Tour:</b> (machine translated) Mainly rappel (also a lot on trees) and downclimbing. If you are looking for slides or jumps, you can find them, but they are not beautiful. The rock is relatively slippery, some experience in downclimbing is helpful. The walking passages are easily passable.		
<b>Return:</b> (machine translated) When you reach the Lombach, walk downstream for a few meters and walk upstream again on the opposite bank "path" and climb up the embankment to the road on a less defined path. The path starts roughly in the middle between the two dams in the Lombach.
