Gear:

Summary: (machine translated)
Also known by its toponymy, ravine of the riu Baiau. Incredible environment, lush, full of vegetation and water everywhere, with a comfortable and relatively fast access.
It is a technical descent, very aquatic, only suitable for people with experience since we will find movements in almost all the receptions, it will be necessary to mount diverters with high flows.
Regulated ravine (Parc Natural de l'Alt Pirineu in Lleida)

Hydrology:
Si

Access:
Por la N260 hasta Sort, una vez allí nos desviamos por la C13 hacia Llavorsi.
En Llavorsí, justo a la entrada, tras el puente giraremos a la derecha por la L504 a Alins/Ribera de Cardós/Tavascán siguiendo el río Cardós, valle amplio y magnífico. A los casi 4kms tendremos una rotonda, seguiremos de frente hacia Alins/Areu por la L510 (hacia la Vall Ferrera).
Por este tramo de carretera nos iremos adentrando entre las altas cumbres buscando los hermosos pueblos de la Vall Ferrera, Araós, Alins, Areu. Mientras las montañas poco a poco estrechan el valle, un valle húmedo incluso en el estío, la carretera poco a poco va perdiendo entidad hasta llegar a Areu.
A partir de aquí, dejamos la carretera y continuamos por una pista forestal transitando por entre los bosques mientras ascendemos por el frondoso valle. Iremos dejando pequeños aparcamientos a lo largo de toda la pista para las múltiples rutas de senderismo que hay en esta zona. Seguiremos la pista hasta casi los 1800m en la Molinassa, en donde aparcaremos.

Approach: (machine translated)
We will leave the GR towards Ref Vallferrera and at the curve where the GR goes to Baiau, we will continue here leaving Ref Vallferrera on the left. We will go up to the Pla de Boet, place of exit of the ravine, we will cross the Clot de l'Olla and shortly after we will arrive at the Pla d'Arcalís, place where we leave the GR to go to the left to the river.

Tour: (machine translated)
Technical descent, with narrow areas where we will feel the force of the water. Movements in many of the receptions and delicate accesses.

Return: (machine translated) When we arrive at Pla de Boet, we will go to the left to look for the access path.
