Automatisch importiert von Descente-Canyon.com für Canyon Taxabach Very nice short canyon. Ideal for example for winter, if you want to try cold canyon -> It's short enough for you to enjoy it without taking any risks. A fun canyon for beginners in the summer. Everything is a mountain pass. Good water level, all jumps possible. Stands OK! Be quiet on the exit, as the local residents are annoyed by the noise. (machine translated)
