After 850m on this road (Via Laconi Renzo), turn right again onto Viale Bue Marino and continue for approx. 2.5 km to the exit above the bay above Codula Fuili. Park one car here. Take the second car back and drive up towards the tunnel. 1.3 km after the large traffic circle, turn left (signposted 'Agriturismo Nuraghe Mannu') and drive south on the concrete road. At the top, past the agriturismo, you can see the canyon below on the left. 4.2 km after turning off the main road, we see a building on the right and park the second car somewhere here. If you are worried about orientation problems, you can continue along the track until it crosses the generally dry streambed and then get in here.

Not worthwhile as a canyon in itself, but can be used as an "interesting beach access" to the Spaggia di Cala Fuili. Good chain anchors, sometimes several per abseil. Unfortunately, there is never a direct view of the sea when rappelling... After the last rappel, it's another 1/2 hour walk to the beach. (machine translated)
