Access: (machine translated) Parking lot in Lavertezzo.

Approach: (machine translated)

Make your way to the start directly below the hamlet of Agro.

Tour: (machine translated) Beautiful pools, little cut in.

Siphon at the foot of the first large waterfall (avoid at all costs on a small RD course at the edge of the pool). On this climb, the first person must arrive without a rucksack.

Sunny around noon, beautiful colors of the rocks and water. One of the most aesthetic canyons in Ticino, even if it is not very narrow.

Return: (machine translated)

Use the approach path.

Cool thing, if it were less remote it would certainly be one of the classics. (machine translated)
